

I would like to use my knowledge in helping be an affiliate director in growing MVAR. I believe I can bring a positive experience and a wealth of knowledge to the group. I was born and raised in Salem, I am a seasoned professional with a rich history in commission sales spanning an impressive 35 years, complemented by a decade-long tenure in the mortgage industry. I completely gave my life to God in January 2019, and I am more blessed than ever. I Graduated from McKay High School in 1990, I have since excelled in building and nurturing valuable relationships, both personally and professionally. In addition to being a dedicated family person, married and proud parent of three children, I share a loving bond with our Labradoodle, Riley. With a passion for forging strong connections and a wealth of experience under my belt, I continue to thrive in the journey of cultivating meaningful connections.
