

Hello! I'm Lacey Stark, a REALTOR® with Coldwell Banker Mountain West Real Estate. A Salem native, I've been a licensed real estate broker in the Willamette Valley for over 29 years. Real estate runs in my family, with deep roots in both the construction and real estate industries. After graduating from Western Oregon University, I earned my real estate license in 1995 and went on to receive my Principal Broker license in 2002.

Throughout my career, I've had the privilege of working in a variety of roles, including administrative assistant to a top producer, managing principal broker, and new construction specialist. Today, I am a full-time residential REALTOR®, committed to delivering exceptional service to my clients.

I am thrilled about the opportunity to join the Mid Valley Association of REALTORS® (MVAR) Board of Directors. I look forward to contributing to the continued growth and evolution of our industry, embracing new learning opportunities, and expanding my professional network. This role would allow me to make a meaningful impact on the real estate profession, while fostering both personal and professional growth.

Drawing on nearly three decades of experience, I am ready to bring valuable insights to the MVAR Board. I am passionate about problem-solving, committed to advocating for our members, and eager to offer a fresh perspective that will benefit our entire community.

Thank you for your consideration. I would be honored to have your vote!
