

With eight years of experience as a sales executive at Ticor Title, I have developed a deep understanding of the real estate industry and fostered strong relationships with professionals across the field. I've had the privilege of serving two terms on the board of the Mid-Valley Association of REALTORS®, where I actively contributed to advancing the association's mission of serving, advocating, and educating our community.

In addition to my board experience, I served as Vice President for Young Professionals with the Association of the United States Army. This role allowed me to hone my leadership and advocacy skills, preparing me to take on more responsibilities within the real estate industry.

My commitment to giving back is a core value, reflected in my ongoing volunteer work. I have participated in the Children's Christmas Party each year during my time at Ticor Title and have supported numerous MVAR events.

Driven, collaborative, and organized, I am passionate about contributing to initiatives that strengthen both our industry and the community we serve.
