

As a passionate and dedicated professional in the real estate and finance industries, I am excited to share my aspirations for joining the Mid Valley Association of REALTORS® (MVAR) board. My career has been shaped by a deep commitment to ethical standards, professional growth, and community development, making me a strong candidate for this important role.

Over the past few years, the evolving housing market has ignited my desire to make a meaningful impact. Housing is not just about properties; it's about people and their dreams. With over 20 years of experience in real estate and finance, I have consistently upheld the values of integrity, transparency, and excellence. These guiding principles have helped me build a strong reputation, and I am eager to bring this commitment to the MVAR board to further promote these values across our industry.

I currently serve on the Salem Fire Foundation board, having held positions as past Treasurer and President-Elect, and have been involved with the board for four years. Additionally, I've served as an Ambassador for the Salem Area Chamber of Commerce for over 20 years. My other contributions include being a Mayoral Appointee to the Salem Water Wastewater Task Force, Police Liaison for the West Salem Neighborhood Association, and Chairperson for the Small Business Development Committee. I am also a 2004 graduate of Leadership Salem, with several Ambassador of the Quarter Awards.

I believe that by actively participating in board activities, I can help shape policies, advocate for best practices, and foster collaboration among industry professionals. We are truly stronger together.

Thank you for your consideration.
